Before BEAM, LOKEN, and MORRIS SHEPPARD ARNOLD, Circuit Judges.

PER CURIAM.

Roy Duane Reha appeals the district court's¹ order dismissing his complaint, in which Reha complained of a state supreme court's handling of his state court appeal. Having carefully reviewed the record and Reha's submissions, we conclude that the district court properly dismissed the complaint for lack of subject matter jurisdiction for the reasons stated in the court's order, and did not abuse its discretion in denying Reha's motion for reconsideration. Accordingly, we affirm. See 8th Cir. R. 47B.

¹The HONORABLE R. E. LONGSTAFF, United States District Judge for the Southern District of Iowa.
